

## CryoArc™ Pallet Shipper Lite

The CryoArc Pallet Shipper Lite is a simplified version of our pallet shipper. By targeting performance in both summer and winter more precisely, we have simplified the design and reduced costs.

It is a very light insulated container offering superior thermal performance and able to withstand the heavy loads.

Thermal performance for maintaining 2 °C - 8 °C for the transport of products  
Maintains temperature range up to 120 hours

Lightweight and easy to assemble kit

Easy filling with design opening on the long side

Cost effective solution

The CryoArc Pallet Shippers Lite provide secure, easy-to-use and superior thermal protection for large size loads of temperature-sensitive products.

### Standard Size

Item #	Product Name	Temperature Range	ID of Payload Box L x W x H (cm)	Payload Mass (kg)	Duration (hours)
FPIR00016	CryoArc Pallet Shipper Lite	2°C - 8°C	83 x 64 x 78	63.50	120
