

## Q-Pak TimeSaver™ – Brick Refrigerants

The TimeSaver™ series of pre-qualified shipping solutions are designed to preserve the integrity of your products. These systems have been tested by our team of engineers in accordance with the highest quality industry standards to provide you with the comfort in knowing that your shipment will remain uncompromised from the hazards of distribution. The Q-Pak version is designed with brick refrigerants that ensure a quick and consistent pack-out each time.

### Features

- Outer corrugated box.
- Payload box.
- Brick refrigerants.
- Pack-out instructions to ensure proper performance.
- Temperature Range: 2-8° C and CRT options available.

### 2-8°C | Q-Pak TimeSaver™ *Mini (Small)*
